DETAILED ACTION

Response to Amendment

1. In response to the Final Office Action mailed April 15, 2003 applicants have submitted an Amendment After Final, filed 12-16-03 (C/M) and a supplemental declaration as well as the surrendered patent. There being no art rejections, and since the amendments added limitation equivalent to those that made allowable the claims in the parent application, the improper recapture rejections of claims 5-39 have been withdrawn, and the application is in condition for allowance, for reasons given next.

REASONS FOR ALLOWANCE

2. Claims 1-39 are allowed.

3. The following is an examiner's statement of reasons for allowance: As indicated in previous Office Actions, independent claim 1 (original claim 19 of parent application 07/854,192) is deemed allowable over Kondo in view of Tarlow because they do not teach or fairly suggest a recordable releasibly secured product label which can be repetitively and reusably recorded. Dependent claims 2-3 (original claims 20-21) further limit claim 1 (original claim 19).

Also, per previous Office Actions, independent claim 4 (original claim 22 of parent application 07/854,192) is deemed allowable over Dittakavi because he does not teach a voice recorder capable of recording a voice input and playing it back as a vocal message corresponding to a bar-coded label.

Amended independent claims 5,12,18,24,29, and 35 are now allowed because they recite a combination of limitations including a voice recorder capable of recording a

Art Unit: 2655

telephone quality of non-synthesized vocal message from voice input, which is played back upon receipt of a bar code signal from a bar code reader. Dependent claims 6-11,13-17,19-23,25-28,30-34, and 36-39 are allowed because they further limit claims 5,12,18,29, and 35, respectively.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Susan McFadden whose telephone number is 703-308-6693. The examiner can normally be reached on Monday-Friday, 9:30-6:00.
